Paddle Battle for Mental Health is more than just an event - it's a movement dedicated to raising awareness and funds for mental health. With 1 in 3 Canadians experiencing mental health challenges in their lifetime, our mission is to inspire action, foster connection, and support vital mental health services.

Every paddle swung and every point scored brings us closer to a future where mental well-being is prioritized. This initiative thrives on the collective passion of organizers, sponsors, participants, and table tennis players, all united by a shared purpose: to create meaningful change in the community.

Paddle Battle wouldn't be possible without the unwavering commitment of its supporters - from generous sponsors to dedicated players and participants. Their contributions make this movement a success, proving that when people come together for a common cause, incredible things happen.

Together, we rally for mental health, proving that through sport, connection, and collective effort, we can make a lasting impact.
